## PROFILE

Skilled Front-end Developer with 2 years of experience in designing, developing and maintaining front-end web applications. Achieved measurable success in increasing page load speeds by 20% which lead to an increase in website conversion rates. Led the implementation of new front-end development system which resulted in a 15% reduction in development time and a 20% increase in website performance. Adept in collaborating with cross-functional teams and delivering projects on-time and on-budget.

## WORK EXPERIENCE

FRONT-END ENGINEER

### SPELLA ICT HUB

October 2023 - Present

- Implemented and maintained front-end web applications, resulting in a 20% reduction in page load speeds and conversion rates by utilizing modern web technologies such as React.js and best practices for user experience and accessibility.
- Developed and executed front-end development strategies, resulting in a 15% increase in website performance by implementing optimization techniques such as code minification and troubleshooting issues using browser developer tools.
- Worked with cross-functional teams to develop and execute on-time and on-budget projects and initiatives by effectively communicating project timelines, progress, and objectives using tools such as Slack and Zoom.
